

Welcome to the new Escrick Park Estate Dog Run

The fully fenced area provides just under an acre of space to let your dog roam free without the need of a lead. There are obstacles spread around the area and lots to keep them entertained.

The online booking makes for a smooth and easy process that means you can turn up any time between 7am and 7pm every day to make the most of stress free dog exercising.

With only one user at any one time you will have the confidence to let your dog run free!

Terms and Conditions

The site is for personal not business use so if you are a dog walker or a dog trainer please do not book using the online booking system. Please email us at enquiries@escrick.com

Prices

Prices are based on 1 household (1 car) – and their dogs up to 3 MAX. If you are intending to bring more dogs please get in touch with the office to discuss your needs.

Time slot

Do not arrive early for your appointment. Your half an hour slot starts the moment you enter the carpark. Therefore, if your session is booked for 12 noon this is the time you should be entering the carpark.

Please show respect for other users and their right to have an uninterrupted session.

Please also leave quickly to avoid any cross over with other users.

Café

Unfortunately, the café (Riders Retreat) is currently closed, but we hope for it to reopen later this year.

No Unaccompanied Dogs

Never leave your dogs unattended in the field, if you need to leave the field please take your dogs with you.

Dog Poo

Please clean up your own dog's poo into biodegradable bags and deposit in the bins provided. We appreciate that it can be difficult to keep track on your dogs movements but we urge you to be vigilant and clean up after your dogs for the continued enjoyment of all users.

Noise

The dog run is located next to a residential property and therefore extra care is required to make sure that your dog is not making excessive noise, particularly early morning.

Cancellation/Rescheduling

It is possible to cancel or reschedule your appointment up to 12 hours before your appointment time, cancellations are not refunded. Rescheduling of your appointments is possible via your confirmation e-mail, there is a link to click to rearrange.

General points

The dog run is next to the Rideways Course with other users, so please ensure your dogs are on a lead when getting them out of your car and when leaving the field. Do not enter the field if another user is in the field.

The dog run is fully enclosed, but please bear in mind it is a grass field and therefore is not even under foot. **You use the field at your own risk.** During winter it may get wet and muddy and we advise sturdy footwear all year round.

There is a toilet facility if you follow the signs for "Rideway's toilet"

There is not any running water in the dog run, and as such please bring water with you.

Please take your rubbish away with you, if your dog is a shredder of toys or balls please pick up after them.
